ark for the saving of his households... (Heb. 11:7). Noah feared the power of God. That was a right fear... a proper spiritual fear. But Noah didn't let his fear worry and frustrate him. Noah acted on his fear. He did something about it! The great importance of the fear of God has been woefully misunderstood. Let's understand its full significance. "By the fear of the Lord men depart from evil" (Prov. 16:8) this fear warns us that God will punish us if we harm ourselves by doing evil. When we do evil we harm ourselves. To teach us not to do evil, God sometimes has to punish us. That is how the fear of God leads us away from the danger of evil...both physical and spiritual danger. "The fear of the Lord is the instruction of wisdom." (Prov. 15:33) Amen.

PRAYER FOR LIVING

Keep us O Lord from pettiness: Let us be large in thought, in word and deed. Let us be done with fault-finding and leave off self-seeking. May we put away all pretense and meet each other face to face, with out self-pity and without prejudice. May we never be hasty in judgement and always generous.

Teach us to put into action our better impulses, straight forward and unafraid. Let us take time for all things: Make us grow calm, serene, gentle. Grant that we realize that it is the little things that create differences. That in the big things in life we are as one. And may we strive to touch and know the great common human heart of all of us. And O Lord God, Let us not forget to be kind. Copied

International Gold Bullion Exchange, Inc., a precious metal sales investment operation, is under investigation for alleged consumer fraud in Alabama. Attorney General Charles A. Graddick said today.

The investigation is being conducted by the Attorney General's Office of Consumer Protection for possible violations of the Deceptive Trade Practices Act.

"My office has received complaints from a number of citizens who say International Gold Bullion Exchange has failed to deliver goods as promised and has not made refunds of the purchase price for non-delivered goods," Graddick said.

International Gold Bullion operates offices in Florida, Texas and California. It offered the sale of precious metals, primarily gold Kregegrands, for investment with a guaranteed payment of one percent over current prime rate for every day after the promised delivery date that the metals were not received.

Consumers report receiving neither metals nor the promised payment after non-delivery, Graddick said.

Securities Commission issued a "cease and desist" order making the sale of good by International Gold Bullion Exchange, Inc., after April 19 illegal. The order was based on the Exchange's failure to register with the Commission as a securities brokerage.

Consumers may submit written complaints against International Gold Bullion Exchange, Inc., to Attorney General's Office of Consumer Protection, 560 South McDonough Street, Montgomery, AL 36104.

City Applies For \$100,000 Grant

The Elba Recreation Board met on Wednesday night, May 25, at City Hall and voted to apply for a grant application for funding to construct four (4)

new tennis courts at the Hawkins-Williams Recreation Park and replace the lighting system at Legion Field. The grant would be a \$50/50 type

grant, with the city matching the \$50,000 in Federal funds, making the total grant \$100,000.

The tennis courts would cost \$54,000 to construct, while it will cost \$46,000 to install the new lighting system at Legion Field, which hosts the high school and Babe Ruth baseball teams.

An application for over \$300,000 in funds available under the JOBS program was discussed and Recreation Director Dennis Smith stated the funding of the program would take place in July. If the local grant is approved, a new city pool would be constructed and the two pools now in use would be closed.

Bill Waldon, Ronnie Jirnight and Jackie Farmer were present at the meeting and expressed concern about the future recreational value of the Pea River, including fishing, boating and camping. The three visitors suggested building a new boat ramp and the

possibility of restocking the river, and questioned the amount of funds now available to build a boat ramp.

The board agreed another boat ramp would be useful on the river, but stated such a ramp should be built behind the dam, which would result in no funds being available. There is presently \$5,000 available to build a ramp; however, the location of such a ramp is tied in with the funding.

On the subject of restocking, the visitors were told the river would be restocked with hybrid bass, but were also informed of a recent Conservation Dept. report which stated the river had a low fertility rate.

The Wednesday meeting was the board's monthly meeting for May and present was Recreation Director Dennis Smith, along with board members Betty Sauls, Gaynes Waters and Ricky Mularg.

COUNTY SCHOOL BOARD member Preston Kelley listens as Supt. Vaughan tells of progress on new Kinston Elementary School.

County Commission Buys Equipment For Paving

The Coffee County Commission met in special session on Friday, May 27, in Enterprise and voted to purchase five used dump trucks for use in resurfacing county roads.

The county engineer had stated at an earlier meeting that the county highway dept. didn't have enough trucks to service all areas of the county, and said that by purchasing additional trucks, he could allow other vehicles to return to their work areas.

The trucks were purchased at a total cost of \$48,000, with one truck being purchased from Jerry Kirkland, of Opp, and four bought from Warrior, of Northport.

In other action at the brief meeting, Comm. Rex Boutwell reported on a computer being considered for purchase by the county and the Coffee County School Board. According to Boutwell, the computer would cost \$11,484.40 and require approximately \$23,000 in software. The computer would be used by the commission office for payroll and bookkeeping; in the probate office for various licenses and in the office of the revenue commission in tax related matters.

The county school system would also use the computer, under the agreement, and would purchase the computer and then sell it to the county. No action was taken on the purchase of the computer.

At Friday's meeting, Supt. Vaughan told the board a contract on the project would be awarded in mid-July, and estimated the new school would take one year to construct. The school is planned to be open for the beginning of the 1984-85 school year.

Friday's meeting began at 8:00 a.m. with all members present except chairman Frank Britt. At the early morning meeting were Supt. Vaughan, board members Tom Dyess, Harrell Carroll, Bill Boland and Preston Kelley and a representative of The Elba Clipper.

After the routine approval of minutes, the board voted to employ Tom Moates as an assistant coach at Zion Chapel High School. Moates, a former assistant at Coffee Springs, has 14-years experience in coaching and will

Board Of Education Hears Progress Report

The Coffee County Board of Education met in regular session on Friday morning, May 27, in Elba and was informed by Supt. John W. Vaughan that the property survey for the new Kinston Elementary School had been completed and bids on construction of the school would be let in June.

The new school, which will house 14 classrooms, will be built in front of the current lunchroom and will necessitate the closing of a portion of a road that goes in front of the high school.

Friday's meeting began at 8:00 a.m. with all members present except chairman Frank Britt. At the early morning meeting were Supt. Vaughan, board members Tom Dyess, Harrell Carroll, Bill Boland and Preston Kelley and a representative of The Elba Clipper.

After the routine approval of minutes, the board voted to employ Tom Moates as an assistant coach at Zion Chapel High School. Moates, a former assistant at Coffee Springs, has 14-years experience in coaching and will

serve with Zion Chapel coach John Frank Hudson. Moates, an applicant for the head coaching job, will also teach science and physical education at the school.

Bids on propane gas, coal and milk to be used in the five county schools were to be opened at the meeting; however, the shortness of the meeting resulted in the bids being opened after its adjournment. The bids will be discussed and contracts awarded at the regular meeting in June.

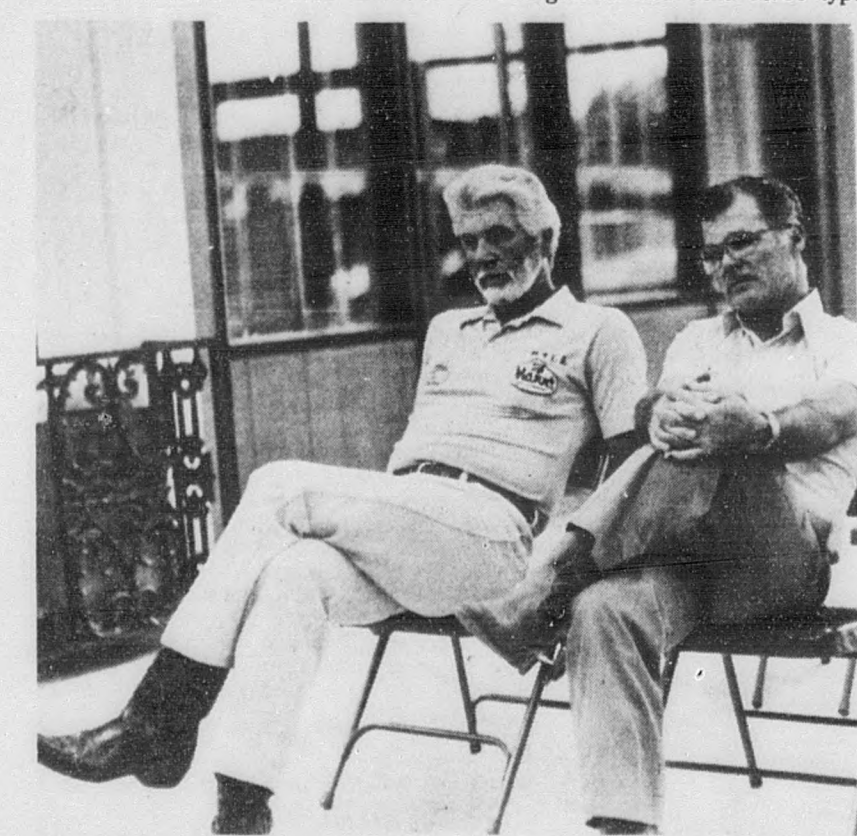

Excessive absenteeism, a problem area in all school systems, was discussed briefly, and the board decided it would meet with the students involved (and their parents) at meetings during the summer. Solutions to the absenteeism and a possible loss of credits will be discussed at the summer meetings.

On other action at Friday's meeting, the board:

***was told by Supt. Vaughan that the 1982-83 school year had passed quietly, with no incidents or accidents;

***was informed new school bus chassis and bodies had been ordered;

***and agreed additional classroom furniture was needed at New Hope Junior High School and the Zion Chapel School.

HOSPITAL BOARD ATTORNEY Merrill Shirley (left) explains wording of lease paper at Friday's meeting. Also pictured is Bill Wayland, vice-president and legal counsel for National Healthcare.

Hospital Authority Approves Pact

A special called meeting of the Elba Hospital Authority was held last Friday at noon. The meeting was for the purpose of approving a change order on the remodeling of the facility and to discuss and approve terms of the management contract with National Healthcare. The management agreement will be in force until the official signing of the previously announced lease agreement.

The change order dealt with installing a new fire alarm system in the nursing home, replacing the nurse call system at the hospital and the nursing home; installation of parking lot bumpers, roof repairs on the older part of the building, and installation of a new compressed air system. This will cost an estimated \$44,993 and is part of the almost completed \$1.9 million renovation and expansion program. There will be \$16,000 left in construction funds. This money will remain in a special equipment account to cover previous expenses.

Details of the management contract and lease agreement were discussed with attorneys from both the hospital board and National Healthcare. Even though the lease agreement is expected to be signed on or about September 1, final settlement is not expected for at least nine months.

The Authority approved three resolutions. One deals with giving the chairman and secretary authority to

enter into a consulting agreement with National Healthcare; the second was executing paperwork acknowledging management agreement with the city terminated and would be entered into with National Healthcare; thirdly, approved changing the name and reorganization of the present hospital authority.

Following this meeting and a special city council meeting, the Authority met Wednesday morning and gave approval and signed the paperwork on the above.

Following this detailed work, Steve Phelps, president of National Healthcare, told authority members that his firm is presently in an evaluation period with the local hospital. He also noted that they had met with the administrator, nursing director and chief of staff in a two-day seminar held recently in Dothan with key personnel from all their hospitals. "There is much promise here and more than expected," said Phelps, "and we are excited."

For further assistance or information contact the Environmental Division of Coffee County Health Dept., Dr. Bruce Donaldson, County Rabies Inspector (347-0544) or the Sheriff's Dept.

Bill Wayland, a National Healthcare vice-president and attorney for the firm, presented the paperwork for reorganizing the Hospital Authority to allow them to transfer excess funds to the city's general fund. This reorganization also reapportioned all existing board members to new, staggered terms, exactly as they were in the last re-shuffle.

Terms of office effective June 1, 1983, are: Clayton Hickman and Virgil Coleman - two years; Carolyn Brunson and Pete Dorsey - four years; Drexel Cook - six years.

The newly re-organized board will in the future be known as The Healthcare Authority of Elba.

National is presently operating the hospital under a management agreement and will continue this posture until all agreements from state health agencies and Farmers Home Administration have been officially approved and signed. Wayland said he expects this to be completed by September.

During this period of operating under the management agreement, National is receiving \$1000 a month for their services. Wayland noted that this was a token amount and his firm was spending more during this transition period.

FOR MORE THAN 22 years dozens of medical students with superior abilities but without a great deal of money have been helped through the University of Alabama School of Medicine at UAB by the Claude E. Dorsey Jr. Scholarship Fund.

The University of Alabama System Board of Trustees expressed their gratitude to the Dorsey family on Thursday, May 19, for the generosity which has helped so many brilliant young men and women realize their dreams and which has given the state so many fine physicians.

Mrs. Katherine Dorsey, widow of the late Claude E. Dorsey Jr., was honored at an awards luncheon at Smolian House, near the University campus. Li. Governor Bill Baxley told a group of high school students that he would be a candidate for governor in 1984. While this is the first time we have known of Baxley publicly making this statement, it comes as no surprise to us. Of course he will be a candidate if Governor Wallace doesn't run - and maybe even if Wallace does run. We expect to hear a lot of folks say that Wallace will not be physically able to run in 1984; but then we have heard that before, and he is sitting in the governor's chair in spite of those statements.

The Palestinian who was indicted in Troy on four counts of attempted murder and one count of murder now has a \$5 million lawsuit filed against him by the daughter of the woman who was killed in the car wreck while the man reportedly was running from police.

If your pet dog is trained to "fetch" things in his mouth, don't turn him loose in the parks of Oregon. . . recently such a dog came back to his master with a stick of dynamite in his mouth!

Five more Tennessee banks have run afoul of the federal regulations and have been closed. Also a bank originally founded with Johnny Carson as a major stockholder has been taken over by the feds and reopened under direction of another. Apparently in the California case of Carson's bank there is some evidence of wrongdoing on the part of someone. We are thankful that in our times of suddenly rising and falling interest rates, none in this area has been taken over by the feds.

Now that everything else has been "proven" to cause cancer, we read that Malathion, the mosquito spray used by cities to control the hordes of mosquitoes, can cause cancer. After reading that in the headline, we read 20 inches of copy denying the statement. We don't know if it is true or false, but hope it is false because we don't know how else they can be killed.

The U.S. Government is asking Cuba to take back 789 Cuban exiles who came over in 1960. They were some of the "boat people" who entered the country illegally, have prison or mental problems that make them unfit to stay here. We expect that old Castro is too smart to take back those crooks and will ignore our request.

The bill to raise the drinking age from 19 back to 21 is getting the delay shuffle. If we didn't know better, we would think it was an election year and some politician didn't want to offend the 19- and 20-year-old voter this close to election. . . We guess they will take their chances that those left alive just might vote for them.

The first U.S. military advisor has been killed in El Salvador. We wonder if this is the beginning of another Vietnam. I remember as so much of early 1962 when we had been recalled to active Army duty and were stationed at Ft. Benning, supposedly training a Reserve Helicopter Repair Unit from South Carolina. We moaned and groaned at being back in service, and one day we were handed some papers offering us immediate discharge. . . If we agreed to go to Southeast Asia for two years, "advise" those folks on repairing their American-made helicopters, and at the same time deny any involvement with the U.S. Government. . . we didn't take that discharge!

The national Democratic Party staged a 17-hour fund-raiser during the weekend and got awful mad with the Republicans. It seems that a lot of folks would call up the toll-free numbers and praise the president. . . something the Democrats thought was unfair. It probably was, but it is amusing that the Democrats couldn't raise their money to beat Reagan because so many people were calling to praise him.

We can't give any first-hand reports, but have some reliable sources that tell of the shellcracker bedding in Pea River. We understand that some mighty big ones were found last Saturday. We were told just where to catch them, but in hopes for a chance to try them, are keeping that secret for a few more days.

Thirteen Sixth graders sing "Do You Know Where You're Going To"

New Brockton 6th Grade Graduation Held May 13th

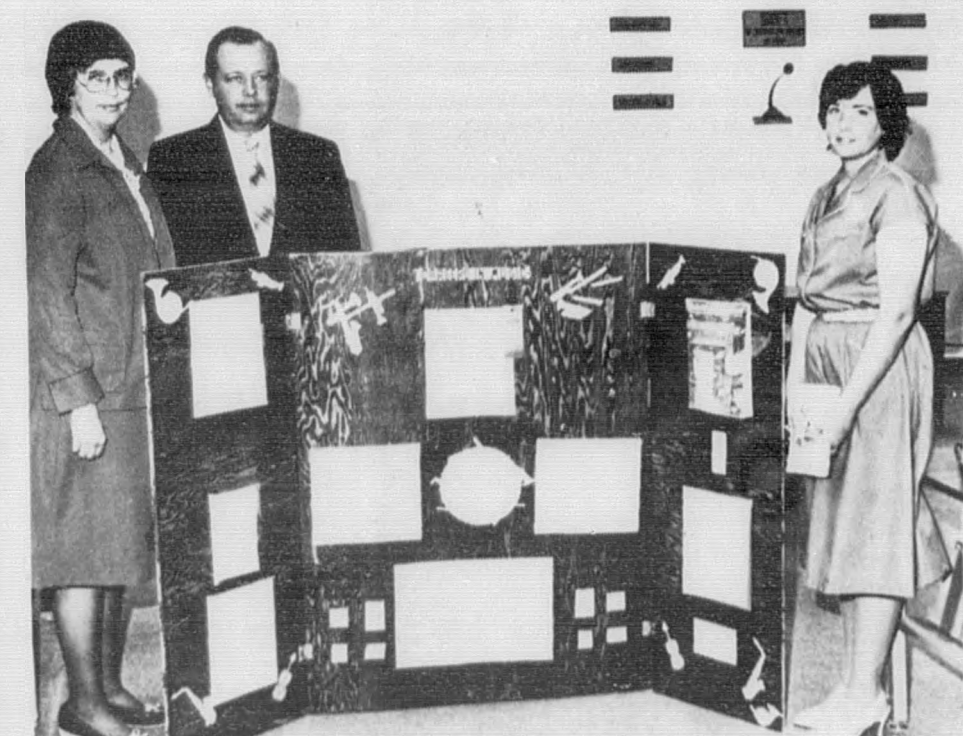

On Friday, May 13, forty-nine sixth grade students graduated from New Brockton Elementary School. Their class color was white, the class flower a carnation, and the class song, "Make Your Dreams Come True." Their meaningful class motto "There's no dream beyond your reach," was written by Chris Owens.

Graduation exercises began at 7:00 p.m. when Reverend Donald Cavitt of Bethany Baptist Church gave the devotional. The welcome was given by their principal, Mr. Charles Cole. The forty-nine graduates sang their class song, "Make Your Dreams Come True." Awards were presented by the two sixth grade teachers, Beulah Bryan and Sharon Walker.

A special song, "Do You Know Where You're Going To" was sung by thirteen talented graduates. The awarding of diplomas was given next followed by a reception in the school lunchroom.

Ushers for the graduation exercises were Lamar Goosby, Chris Fuller, Amy Tindal, and Ginger Walls. Mrs. Jane McKinnon served as pianist for the graduation exercises.

The graduates will miss the elementary school but are looking forward to their future years.

CAREER EDUCATION WINNER... Cecilia Patterson, a ninth grader at Kinston High School, won first place with this project in recent Career Education competition in Coffee County. Standing with Miss Patterson are her parents Mr. and Mrs. Cecil Patterson.

Social Happenings

Miss Hamm-Mr. Cordle Engaged

Mr. Hubert Hamm of Opp, Alabama and Mr. and Mrs. Hannon Cordle of Elba Alabama proudly announce the engagement and forth-coming marriage of their children, Donna Kay Hamm to Cecil Richard Cordle.

The wedding will be an event of July 1, 1983 at 8:00 p.m. in the Calvary Holiness Church of Opp.

No formal invitations are being sent, but all friends and relatives of the couple are invited to attend the wedding and reception to follow.

Miss Rosero Honored With Bridal Shower

Miss Adrianna Rosero daughter of Mr. and Mrs. Ramon Rosero of Quito, Ecuador, South America, was honored recently with a miscellaneous shower. This social affair was given at Woodland Grove Baptist Church by many of her fiancée's friends.

The social hall was decorated with individual arrangements of pink, red, white and yellow roses. These roses were from the gardens of Mrs. Vera Hudson, Mrs. Paxton Miles, Mrs. Eris Paul and Mrs. Erlene Poole. The crystal vases were placed at focal points throughout the entertainment area.

Mrs. Tommy Brooks welcomed the guests. A hand-painted floor urn held an arrangement of mixed spring flowers.

Mrs. Seth Stebbins presided over the register that was filled with the many names of guests.

Standing with the bride-elect of Ricky Brown was his mother, Mrs. Richard Travis Brown, Sr. These lovely ladies were fashionably dressed in semi-formals of soft silk chiffon in pastel colors.

Mrs. Roy Moseley directed the guests to the refreshment table consisting of party punch and dainties. Serving were Mrs. Gary Allen, Mrs. Ken English, and Mrs. Dale Moseley.

The gifts were attractively displayed. A large round table dressed in a white cut-work party cloth, held the hostesses gifts. The floral arrangement consisted of a crystal vase of delicate pink Eiffel Tower roses.

Others assisting at various places were: Mrs. Cliff Allen, Mrs. Hillard Allen, Mrs. Charles E. Goodson, Mrs. Charles E. Goodson, Mrs. Roger Goodson, Mrs. J.L. Johnson, Mrs. Nellie Martin, Mrs. J.C. Pope and Mrs. L.J. White.

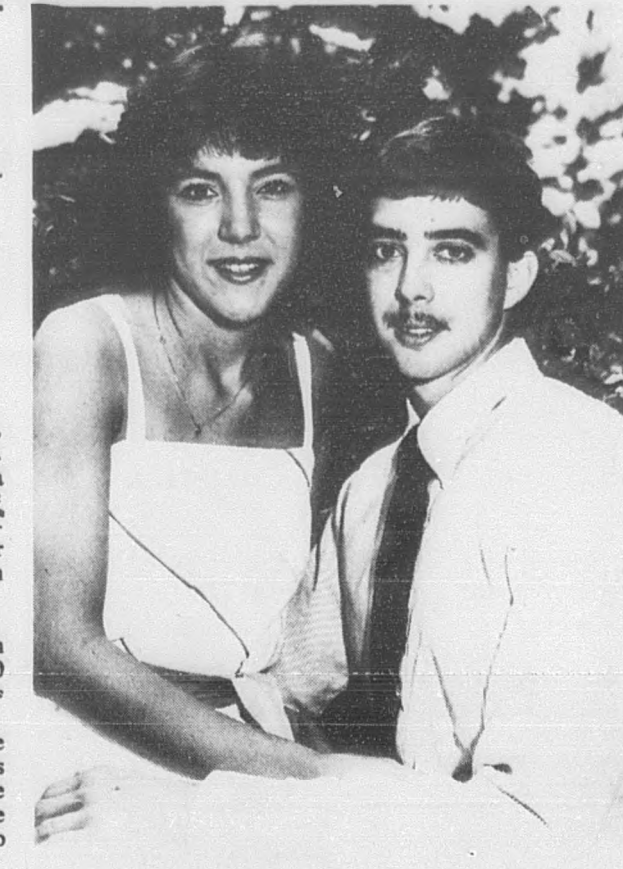

The Brown-Rosero wedding will be an event at Woodland Grove Church at four p.m. Saturday, June 18, 1983.

Miss Mallory is a graduate of Daleville High School and Troy State University where he received his B.A. degree in Computer Science and minored in Business Management. Mr. White is presently employed with Big Ten Tire Company in Dothan Alabama.

The wedding is planned for Saturday, August 6, at four o'clock in the afternoon at the Westside Baptist Church in Elba.

All friends and relatives are invited to attend.

Mr. White is the grandson of Mrs. Hazel P.

Miss Corley To Marry Mr. Kelley

Mr. and Mrs. Jack Corley request the honor of your presence at the marriage of their daughter, Cassandra Ann to Mark Howard Kelley. The wedding will be held at the First Baptist Church in Elba at 7:00 in the evening on the fourth of June.

A reception will be held immediately following the ceremony at the home of the bride.

Miss Scarborough-Mr. Martin Honored

On May 7, 1983 a Bar-B-Que was held to honor Will Martin and Melanie Scarborough at the home of Mrs. Lewey Stephens, Jr. For the festive occasion, the tables inside and out by the pool were decorated with yellow and white gingham tablecloths and candles adorned with ivy. All enjoyed the meal and dessert. The couple was presented with a smoker-type grill and poem by the hostesses.

The hostesses were Mrs. Lewey Stephens, Jr., Mr. and Mrs. John Stephens, Mr. and Mrs. Kenneth Grantham, Mr. Ben Brock, and Mrs. Nancy Brock. Those enjoying the evening included: Mrs. Ann English, Mr. and Mrs. Willard Martin, Mr. and Mrs. Phillip Scarborough, Teddy Vaughan and Lisa Turner, Mr. and Mrs. Jeff Bimbo, Mr. and Mrs. Kenneth Sharpless, Mr. and Mrs. Keith Maddox, Mr. and Mrs. David Smith, Mr. David Dorsey, Mr. and Mrs. Robin Bozeman, and Mr. and Mrs. Larry Miller.

Miss Mallory To Wed Mr. White

Mr. and Mrs. Wade C. Mallory of Elba announce the engagement of their daughter Tamm Kathleen to Frank Edward White, son of Mr. and Mrs. Frank O. White of Daleville.

The bride-to-be is the granddaughter of Mr. and Mrs. Glen Abernethy of Elba and Mr. and Mrs. Sammy D. Bowell of Montgomery and the late Mr. and Mrs. Grover C. Mallory.

Miss Mallory is a graduate of Elba High School and is presently attending Enterprise State Junior College.

Mr. White is the grandson of Mrs. Hazel P.

Local Students

On Dean's List

At UA

A total of 1,349 students enrolled in the spring semester at the University of Alabama made records of between 2.5 (B plus) and 3 point (A). Dr. Roger Sayers, vice president for academic affairs, announced today. Of these, 491 made all A's.

The Deans' List recognizes undergraduate students who enroll for a full course load and does not apply to graduate students or those undergraduate students who less than a full course load.

Those making the list from this area are: Terri Lynn Davis, daughter of Mr. and Mrs. William R. Davis, Fleming Kendrick, daughter of Mr. and Mrs. Jefferson D. Kendrick and Paul Mason Morrow, son of Mr. and Mrs. Paul C. Morrow.

HONORED UPON RETIREMENT... Mrs. Mabel Grimes, a teacher at Goodman Junior High School for the past 39½ years, was honored at a meeting of the Coffee County Teacher's Association. Mrs. Grimes (center) is pictured above receiving silver trays from Janice Strickland president of the teacher's association and Supt. of Education John W. Vaughan. The trays were engraved and presented in honor of Mrs. Grimes many years of dedicated service to the county.

C.C. Retired Teachers Meet

In Enterprise

The Coffee County Chapter of the Retired Teacher's Association met for a luncheon at the Rawls Hotel Lobby Restaurant in Enterprise.

President Lloyd Crook presided over the meeting. Mr. Fred Wood gave the invocation. The guest speaker from Enterprise State Junior College Dr. Jack P. Oden gave a humorous talk in Cajon dialect. He also gave an interesting history of the Cajons living in Louisiana.

President Lloyd Crook introduced special guests who have recently retired. They are Mrs. Felicia Revel, Mr. Cleveland and Mr. B.F. Garth.

Miss Bernice Garner installed officers for the next term. President - Mrs. Jean Cling, Vice-president - Mr. Fred Wood, Recording Secretary - Mrs. Evelyn Hamm, Treasurer - Mrs. Gwendolyn Garth.

THE PRESSBOX

By, Ricky Mularz Editor

I'm writing this week's column on Monday. So, if it rambles on a little it's because my mind is on a holiday.

THE LIMB COULD GET CHOPPED OFF

I went out on a limb last week and stated the annual "Elba Classic" softball tourney would be held at the new complex. Well, I walked out on the fields Wednesday and will admit the grass isn't growing very fast, but I'm still convinced with a lot of work the Classic will be able to move to a new home!

A lot of landscaping work is needed around the fields and some dirt is needed to fill in some erosion marred areas, but besides that, all the grass needs is constant watering so it can spread. I simply do not believe that if a real effort is made we can't play up there on June 24-25. C'mon Dennis let's at least give it a try!

Another Tiger signs with Troy State. It is now official, Elba's Ted Horstead has signed a football scholarship with Troy State University. Ted walked-on at Troy last season, but didn't get a chance to show what he could do and was subsequently red-shirted. When a new coach was hired this spring Ted was moved to fullback (his best position) and got better, and better as spring training went along. He received constant praise from the coaches and had a super game in the spring game. The word came last week Ted had been awarded a scholarship, and I can guarantee you he earned it! Congratulations Ted, all of Elba is proud of you and looking forward to watching you run again.

STILL THE SAME OLD INDY 500

I went to the Indianapolis 500 when I was a little kid and slept thru almost the entire race. Well, I was looking forward to watching it on TV Sunday and at 8:00 p.m. Melissa Hope and I laid down on the sofa and got ready to watch this year's race. Melissa Hope (who by the way is now 12 weeks old) lasted about two laps before falling asleep on dad's chest, and old dad lasted about half the race before he dozed off. My wife woke me up at midnight to go to bed and off we went, not even knowing who had won. Oh well, it's still the same old race to me.

RACKING HORSE SHOW JUST KEEPS GROWING

I was out of town all day Saturday and didn't get back until about 9:15 p.m. but I figured I'd run up to the horse show just to see what was going on. I didn't expect much of a crowd to be there because I hadn't heard much about it; however, the place was wall-to-wall cars and the "Tack" parking lot was almost filled! The Pilot Club sponsored the show this year and must have done quite a job, because it had to be the best ever. The show ran smooth, the competition was keen and the crowd was huge. I didn't get to see much of it, but it had to be some kind of show!

The city had better get the horse arena built before next year because the Deep South Racking Horse Show has outgrown Legion Field.

A QUICK LOOK AROUND THE LEAGUE

The men's softball league is nearing the midway point of the season and for those of you who haven't made it out to a game yet, here's a quick look at what's going on..... The Elba Exchange Bank is rolling along undefeated and looks like the team to beat....The Peoples Bank is just as powerful as ever and is a contender....Hickman Moving and Storage is a good hitting team that can win against anyone....New Brockton Merchants are just as good as ever, when all their players show up....Hickman Merchants, however, needs a little more offensive punch....Hammonds Body Shop has enough power for anyone, but lacks a little on defense....Cook Chevrolet looks super at times and suspect at others....Kelley's Packing has a young bunch of guys that are improving with each game....Elba Merchants have a team filled with good players who simply enjoy playing....Work Release is much improved and capable of winning....and Southland Broilers have a new team that hasn't quite put it all together.

PLAYERS OF THE WEEK

This week was a little harder to choose the top players, but after a lot of thinking here they are Dixie Youth League. The honoree is Cardinal pitcher Stevie Sauls, who pitched and hit his team to an upset win over the Astros. Sauls survived a shaky start to allow only 3 runs in the closing three-innings, leading to his team's comeback, and also hit a bases loaded single and a home-run to knock in 4 runs. Babe Ruth League Leon Coleman, the "short" stop of the A's including a bases loaded double, and turned in a stellar defensive play to lead the A's into a tie for first. Despite being a 13 year old Coleman showed poise and determination in the top game last week.

IN CLOSING.....

The crowds at the Dixie Youth and Babe Ruth games have been large, and vocal, all season and I urge you to keep coming out. It's great!

41 Runs Cross The Plate In Dixie Youth League

Doubleheader As Action Gets Fast & Furious

The Dixie Youth baseball league had an abbreviated schedule last week, but the one night of play was filled with action as 41 runs crossed the plate. Standings thru May 26 show the Mets

on top at 5-1, followed by the Yankees 3-3, Tigers 2-2, Astros 2-3, Cardinals 2-3 and Pirates 2-4.

A's Catch White Sox In Babe Ruth League Action

The standings in the Babe Ruth baseball league tightened up last week as the A's defeated the White Sox to move into a tie for first place. Standings thru Thursday, May 26 showed the A's and White Sox tied with 4-2 records, followed by the Dodgers at 3-3 and the Reds at 1-5.

A's 7
White Sox 6

The A's rallied to score 3-runs in the top of the sixth-inning to grab the lead and then survived a two-out scare in the bottom of the inning to edge the White Sox 7-6 and move into a tie for first place. The Dodgers gave up 3 runs in the second-inning, combining 2 hits with 3 errors, but saw the A's regain the lead at 4-3 in the third by taking advantage of 4 walks. The Sox battled back to take a 6-4 lead going into the sixth, however, the A's received 3 walks and ripped 4 hits in the inning to nose ahead and then held on to claim the win.

Leon Coleman, Patrick Norris and Buddy Manning got 2 hits apiece to lead the A's while David Ammons and Bubba Craighead both added 1. Jetey Wise got 2 hits for the Sox, while Jack Lee, Boyd English, and Scott Kelley added 1 apiece.

Dial 1-800-ALA-PARK For Fun

A new toll-free telephone number, 1-800-ALA-PARK, to be activated May 23, should be a big help in making reservations in 10 of the State's parks. Conservation Commissioner John W. Hodnett says, "In our continuing effort to serve the public, we arranged for this easy-to-remember number for use throughout the state in making reservations at our State Parks. In Montgomery and outside the state, park reservations can be made by calling area code 205 and the number 832-5204."

State Parks Director

Tomlin Wins Logan Martin Tourney

When the Bama Division of the Red Man Tournament trail met in basing competition on Logan Martin Lake May 22, limits of fish were common among top finishers. It was quality, not quantity, however, that put James G. Tomlin in the spotlight.

Tomlin, 47, a resident of Alexander City, Alabama and a teacher at Alexander City Junior College, brought a seven-fish tournament limit averaging roughly three pounds per fish back to the scales at Riverside Marina. Tomlin's catch of 21 pounds, 13 ounces cleanly swept the first-place award of \$1,137. Second place fell to Trip Weldon, Eclectic, Alabama, who landed a limit of bass weighing 19.0. The catch earned him \$682. Weldon's fish were taken on a black jig and pork frog combination fished in shallow bushes in

Clear Creek. Freddie J. Chastain, Anniston, Alabama, finished with a limit which totalled 16-10, enough for \$455 in prize money. Chastain took his limit by casting a vibrating plug, a Rattletrap in "baby striper" color, in ditches and shallows of three to five feet in Clear Creek.

The hefty catches came despite high, muddy water at Logan Martin. A purse of more than \$3,400 was split by top finishers in the one-day contest, the third of six on the 1983 schedule for the Bama Division. The Red Man Tournament Trail is structured for "working man" bass anglers. Entry fees are a low \$50, but 100 percent of entry money is returned in the form of cash prizes along the trail. Red Man contests are staged by professional tour-

nament crews from the Kentucky-based Operation Bass. More information on the Red Man Tournament Trail is available from Operation Bass, Route 2, Box 73 B Gilbertville, KY 42044, telephone (502) 362-4880.

Ski Club To

Meet June 5

The South Alabama Water Ski Club will conduct a membership drive on Sunday, June 5, with a picnic at Charles Smith's, in Gannt, beginning at 4:00 p.m. Everyone is welcome to join the fun and water sports and dues are required. For directions stop at Sleepy's or Bownen, or for more information call 897-2252.

however, the Astros pulled even at 9-9 in the third-inning and battled until the final out! Steve Bozeman got 2 hits to lead the Cardinals, while Stevie Sauls and Chris Armstrong both belted home runs. Also getting 1 hit for the Cards were Buck Simmons, Jesse Cook, Bobby Boswell and Willie Flowers, while Matt Henderson, Bill Bennett, Ryer McCollough and Daniel Donaldson all added one.

Tigers 10
Yankees 9

The Tigers rallied from an early 6-1 deficit post an exciting 10-9 win over the Yankees. The Yankees, who received 17 walks during the game, jumped ahead in the second-inning thanks to 8 walks, but the Tigers came back to score 8 runs in the third, combining 4 hits with 5 walks, and held on to win. Troy Hudson, Jeff Owens, Bryan Free and Robin Stinson all got one hit for the Tigers. Wade Hart got 2 hits for the Yankees, while Derrick Hooks got one.

HEADING BACK TO THE DUGOUT . . . is Pirate John Jacobs after scoring a run in his team's win over the Cardinals.

Southeast Alabama Basketball Camp Set For June 20-24

The first annual Southeast Alabama Basketball Camp will be held at Enterprise State Junior College on June 20-24, with an experienced staff of coaches, instructors and lectures scheduled to take place. The camp will be held at the E.S.J.C. gymnasium, gymnasium lecture room and swimming pool and will cost \$60 per camper. The fee will include accident insurance coverage, a souvenir T-shirt, a cold drink at lunch, a private lecture, swimming and individualized and small group instruction.

The daily activity schedule, which will start at 9:00 a.m. and end at 3:30 p.m., includes:

9:00 - 9:15 Stretching and Warm-up

11:00 - 12:00 Swimming in College pool

Coaches at the clinic include Sid Elliott of E.S.J.C., Sam Weeks of Enterprise, Pete Kelley of Kinston and Hank Kennedy of Elba.

Elliott was a three-year starter at Tennessee, then posted a 179-86 record as a high school coach before coming to E.S.J.C. During the past four years, Elliott has twice been named Conference Coach of the Year.

Weeks coached at Clanton for five years before taking the helm at Enterprise High, and during his seven years at Enterprise has led the Wildcats to countless wins. His career record is 241-104.

Kelley is the dean of

coaches in Coffee County, leading Kinston to five straight Area Championships, two Region crowns, and state championship. A three time Coach of the Year, Kelley's career state is a glittering 158-68.

Kennedy, who led Elba High to a winning season in his first year at the helm, has guided New Brockton to the State Tourney in 1975, was SAC Coach of the Year at Opp in 1976 and this past season at Elba was selected 3A Wiregrass Coach of the Year.

The camp will be limited to 50 players and the deadline to enter is June 13. For more information call Coach Kennedy at Elba High School or Coach Elliott at Enterprise State Junior College.

Audio Visual Evangelism To Be Presented At New Tabernacle By Rev. Meacham

Audio-Visual Evangelism, featuring the chalk artistry of Arthur Meacham, will be at New Tabernacle, Southern Methodist Church, for a series of services at 9:30 a.m. and 7:30 p.m. on June 6-10. Everyone is invited to attend.

You will be amazed by the magic feats. You will be delighted by the paper cutting performances. You will wonder at the chemistry set experiments. Then, sit back, relax, and enjoy a sermon in color drawn right before your eyes on a giant 40 x 54 inch easel. Background music, sound effects, and black light lend their part in bringing the picture to a climactic closing. Every child who comes will receive a free coloring book of pictures drawn by Rev. Meacham. A free pastel drawing will be given to the

person bringing the most visitors during the week. Arthur Meacham has been in the pastorate since 1971, and holds an M.A. in Biblical Studies from Pensacola Christian College. He has

READ FASTER

Increase your reading and comprehension ability by taking advantage of the AGP Rapid Reading and Comprehension Building System that will be coming to this area the week of June 14. This course uses the latest learning techniques and introduces you to a concentration of basic rapid reading principles which enables participants to develop optimum personal reading skills. And, most important, this program lays the foundation for the individual to further pursue efficiency and speed on an independent basis. No reading machines or complicated aids are required. This program is designed for a group to meet once a week for three weeks with each session lasting two hours.

This program is fully guaranteed. If anyone participates and follows instructions we guarantee that he/she will at least double their present reading rate upon completion of the course or their money will be returned in full.

Dr. James F. Crabtree, a professor at Alabama Christian College of Montgomery will be the instructor. During the time he has worked with this program he has personally trained approximately 2,000 people with not one request for a refund.

The AGP Rapid Reading Program is one of the fastest growing in the country. It has been developed and tested in educational institutions and businesses in the U.S. and Canada. It is currently in use throughout the world. Classes will be held in a designated classroom at Elba High School.

To sign up for this program or to obtain information concerning course fee, etc. contact Hayward or Phillip Brown after 7 p.m. Call 897-6952.

William Jordan Bullard, lifelong resident of Elba, died at his home Saturday morning, May 23, about 2:30 o'clock. He had been ill for several months. Mr. Bullard was a World War I veteran and was known for his

generosity and sympathy for his fellowman.

Little Sara Ann Marler, eight years old, gave her daddy a lesson on how to fish Saturday afternoon. Fishing at the Coffee County pond with her father, Herbert Marler, Sara Ann hooked a 1½-pound trout while Daddy didn't catch a fish.

On Friday, May 1, the Zion Chapel ninth-grade and their chaperones left for a weekend at Tower Beach, Ft. Walton, Florida. Taking the trip were Nina Jo Sanders, Faye Ruthe Walker, Betty Swain, Virginia Grissett, Mary Alice Barr, Joan McDurmont, Augustus Griswold, Donald Griswold, Kenneth Johnson, Glen Crawley, James Flowers, Charles Wambles, Junior Kelley, Harold Eddins, Morrell English and Franklin Fortune.

Judge and Mrs. James Chesley Bird Gwin of Bessemer announce the engagement of their daughter, Emma Kathryn, to Thomas Baxter Bryan Jr. of Elba.

Misses Onnie Mae Moore and Ida Smith, teachers in the Brewton schools, have returned home for the summer.

Mr. and Mrs. Charles S. Lee celebrated their 58th wedding anniversary Sunday, May 30, at their home on the hill on the outskirts of Elba. A host of children and grandchildren were present to enjoy this happy reunion of one of the county's largest pioneer families.

Liberty News: Dear Editor... Oh, this is such a fine season of the year! The gardens are beautiful, the crops are growing. I have been sick but can travel again... Henry Galloway got hurt four or five weeks ago, but he's home from the hospital now... Mrs. Clifton
